Education

Tirumala Engineering College

Master of Business Administration

Human Resources

GPA 70%

Bhavan's Vivekananda College

Bachelor of Science

Computer Science & Electronics

GPA 85%

Sri Chaitanya Junior College

Higher Secondary School Certificate

GPA 90%

Interests

Volunteering, Yoga, Reading, Cycling,
Gardening, Sports

Technical Proficiency:

- Automation : Selenium, TestNG, Cucumber, Sikuli
- Test Management Tools : JIRA, TFS, TestLink, TestRail
- Programming Languages : Java
- IDEs : IntelliJ and Eclipse
- Version Control Systems : Git, Bitbucket, GitHub, GitLab
- Test Build & Integration Tools (CI/CD) : Maven, TeamCity, Jenkins
- API Automation : Postman, SoapUI, REST Assured
- Automation Frameworks : Data-Driven, Keyword Driven, BDD, Hybrid Framework, Karate DSL
- Operating Systems : Windows, macOS, iOS, Android
- Cloud services : AWS, Azure
- Methodologies : Agile, Scrum, Kanban, Waterfall
- Domains : FinTech, Healthcare, Insurance, Airlines, e-commerce
- Other tools : Confluence, Jira XRAY, ServiceNow, Salesforce, Remedy, ALM, Wordpress, AEM, Swagger, IFDS iFast, SourceTree, Fiddler, ELK Stack, Kibana, Elastic Search, Mobile Application Testing, Docker, Containers, NetTerm, Putty
